

Your Malaga Mobile App is getting an Upgrade!

New features and a redesign for easier site navigation.

- **Touch ID and Facial Recognition ID** for iPhones and Android systems.
- **Card Control** - Lock/unlock, keep your Malaga Bank debit cards safe.
- **Update Your Profile** - Easily update changes to your personal contact information.
- **Submit Travel Notifications** - Increase your Protection Online while away from home.

Favorite features still available.

- Mobile Check Deposits for *Personal and Business* Checking Accounts*
- Account Balances and information
- Time filtered account history
- P2P Transfers (Person to Person)
- Bill Payer
- Loan Payments

Mobile Banking with Malaga Bank is safe and secure. Speak to a Customer Service Representative today for more information. *Some restrictions apply.
